COHEN & FEELEY RECOVERS OVER \$1.3 MILLION FOR ACCIDENT VICTIM

A 72-year-old woman was unloading groceries into her car, when a driver struck a nearby pedestrian, then struck our client, severing her leg. Her daughter and sons contacted Cohen & Feeley for assistance.

The driver of the automobile had limited insurance coverage. Cohen & Feeley sued the driver, the owner of the shopping center, the store, and the engineer involved in the store construction.

After extensive investigation and taking the testimony of more than ten witnesses, the case was resolved just prior to trial, against all of the parties, with the store and engineer paying the majority of the settlement. As a result of Cohen & Feeley's efforts, this firm was able to obtain \$1,325,000 for our client.

Cohen & Feeley's Best Of The Best 7th Annual Scholarship Program

Cohen & Feeley was pleased to recently honor and provide college scholarship assistance to twenty-six area high school seniors and also aid the students' favorite charities.

For the seventh year, scholarship applications are reviewed and the awards are based upon academic achievements, extra curricular activities, community service, and special circumstances. One student from each high school is selected to receive a \$100 scholarship and a \$100 donation to their charity of choice. Of all weekly scholarship recipients, one female and one male student are selected as "The Best Of The Best" and awarded a \$500 scholarship.
